

## NUTRACEUTICALS

Biote Nutraceuticals have been carefully formulated to support bioidentical hormone replacement therapy (BHRT), promote healthy aging, and enhance overall wellness. Backed by more than 80 years of science and medical data, these clinical-grade products have been selected for superior bioavailability and can help ensure a complete and personalized approach to meet your health goals.

# OMEGA 3 + CoQ10

EPA/DHA FISH OIL WITH CoQ10

Supports Cardiovascular Health †

Encourages Normal Cholesterol Levels †

Promotes Cognitive Health †

OMEGA 3 + CoQ10 combines EPA and DHA from fish oil with CoQ10 to support heart and brain health. Our DHA and EPA are extracted from the purest fish oil sources available through molecular distillation to ensure the removal of cholesterol and contaminants, including PCBs and heavy metals.

Coenzyme Q10 (CoQ10) is a powerful antioxidant that occurs naturally in the body. CoQ10 is stored in the mitochondria—your cell’s power source—where one of its primary functions is to generate energy for the cells. Because your body’s natural production of CoQ10 tends to decrease as you age, combining CoQ10 with pure fish oil helps your body absorb and use CoQ10 better.

Supplement Facts		
Serving Size: One Gelcap		
One Gelcap Contains:		%DV
Calories	10	
Total Fat	1.5 g	2%*
EPA (Eicosapentaenoic Acid) (from Fish Oil)	450 mg	**
