

NUTRACEUTICALS

Biote Nutraceuticals have been carefully formulated to support bioidentical hormone replacement therapy (BHRT), promote healthy aging, and enhance overall wellness. Backed by more than 80 years of science and medical data, these clinical-grade products have been selected for superior bioavailability and can help ensure a complete and personalized approach to meet your health goals.

SERENE MOOD SUPPORT

Relieve Anxiety †

Reduce Stress †

SERENE provides a natural way to help relieve stress and anxiety when you need it most. This supplement contains a potent extract derived from magnolia tree bark, dihydrohonokiol-B (DHH-B), that can provide on-demand mood support.

SERENE can help promote a healthy body and mind by delivering powerful antioxidative properties, which may help reduce inflammation and oxidative stress. This neuroprotective compound can also help reduce feelings of worry and unease. SERENE is fast-acting and can be taken as needed to help support your mood and reduce stress.
